Banishing Beliefs Boosts Business - And Brings Back The Fun!

So you think you're making an honest effort at running your business (or career or life). You've had some success with your product and you have grown the business from little or nothing to employing several staff and a multi million dollar turnover. You get to take the odd afternoon off and you have a certain credibility amongst your peers. You have a healthy self-esteem and you consider yourself a competent and smart business operator.

On the other hand, there's never any guarantee as to where the next big sale will come from and your best clients could be wooed by the competition anytime. Staying ahead of the game is a constant pressure and the demands of a family never take a break. [More.....](#)

Its not too late for resolutions

Did you miss making some New Year's Resolutions? Or have you fallen off the wagon already? It's never too late and it's never the wrong time to invest in setting some clear and considered intentions for your life. Start by considering the resolutions past.

What did you resolve to do or not to do? Were you successful? What factors contributed to that and what might you do as a result of those learnings to plan for success this year? What patterns can you see in your life as you look back?

New year's resolutions can be a bit of a joke and we all have made light of them at some time. In a modern culture and lifestyle that is sometimes lacking in ritual and meaning making your resolutions consciously may be way of filling that gap. [More.....](#)

Do you know about 'The Secret'

'The Secret' was originally a DVD. It recently aired on Channel 9 and was the subject of two Oprah shows. It is now also a book and a website. So what is all the fuss about?

'The Secret' bridges the conventional and not-so-conventional and is making some ancient wisdoms accessible to all. Interest has spread like wildfire and now people of all walks of life are talking about 'The Secret'.

I highly recommend the video stream of [Oprah's Reaction Show](#) or [official website](#).

Whether you are one of the many who loves the material in this phenomenon or someone who is yet to experience it I am sure you will find the following statements useful reminders of the power within.

1. We all work with one infinite power.
2. The Secret is the Law of Attraction (LOA).
3. Whatever is going on in your mind is what you are attracting.
